#### **Australia Procuring Sargent Fletcher 330-Gallon External Fuel Tanks**

Sargent Fletcher Inc., a wholly owned subsidiary of Cobham plc, announces the award of a production contract from the Embassy of Australia to manufacture and deliver 330-Gallon External Fuel Tanks for Royal Australian Air Force (RAAF) F/A-18 aircraft. The 330-Gallon External Fuel Tank has been a cost effective solution for supporting RAAF F/A-18 aircraft.

“The F/A-18 aluminum external fuel tank legacy is a compliment to Sargent Fletcher continued successes in external fuel tank manufacturing for F/A-18 aircraft around the globe,” said Stephen Taylor, Business Development Manager for Tanks and Pylons. “We are proud of our legacy as a supplier for F/A-18 aircraft and we look forward to supporting the Embassy of Australia and the RAAF with this production program”.

The Sargent Fletcher 330-Gallon External Fuel Tank will be manufactured at Sargent Fletcher’s facility in El Monte, California.
